November Newsletter

Greetings Folks!

I can't believe how fast November is passing by! We have experienced the full range of weather so far! Sunshine, rain, wind, and even some snow!

My husband spend the other day preparing the chicken house for the cold weather! He installed the windows and insulated the eaves so that the free ranging chickens would have a nice warm barn to go into to escape the cold that is headed our way. I am sure the last few days have made all of us aware that winter is just around the corner!

One of my favorite holidays is almost upon us. Thanksgiving is just a few weeks away. That holiday that makes you sit back and think about the blessings of the last year. You get to

contemplate all the changes that have happened in your life and the lives of your family since the last time you gathered together around a holiday feast.

Speaking of feasts, have you ordered your delicious turkey yet? I have gotten so many emails telling me that the turkeys that they have ordered from us were the best turkeys that they have ever eaten! We have been taking lots of orders for fresh turkeys to be picked up on November 26th and 27th. Not only can you get turkeys from 10 to 30 lbs, but you can also get boneless breast roasts in either all white meat, or white and dark meat. Also available are bone in breasts, drumsticks, thighs and whole turkey legs to supplement your dark meat needs!

For my family, we have had so many things to be thankful for this year. Since last year we welcomed a granddaughter, a new son-in-law, a new business and home. We are so thankful for all the things that the Lord has brought into our lives. We look forward to the year ahead and pray for God's blessings on you and your families!

Look forward to seeing you on the farm!
Carol Branning

Psalm 118:24

This is the day that the Lord has made; let us rejoice and be glad in it.
